

### Your Investment in the Future of Lighthouse Christian School: 2023-2024

The Lighthouse Strategic Plan lays out goals for the future of the school. The plan's metrics for tracking success are useful, but more deeply important is the way that the plan ensures the relevance of the school's fundamental values. The Partners in Excellence program provides families and businesses an opportunity to support our mission while sustaining our future. The sponsorship program provides year round recognition and marketing opportunities at all school events as well as through print and web communications.

*Yes!*
